Course description

Unleash your creativity this holiday season with our Christmas Wreath Making Workshop, designed to combine the joy of crafting with eco-friendly practices. In this 3-hour session, you'll learn how to create a stunning Christmas wreath using recycled twigs and fresh green foliage. Our expert tutor will guide you step-by-step through the process, starting with selecting the best materials to achieve a natural and festive look.

You'll begin by learning how to wrap and intertwine branches and twigs to form the sturdy base of your wreath. The class will then cover techniques for securely attaching fresh greenery, including fern, holly, and berries, to add lushness and colour. Simple floristry guidelines will be provided to help you arrange your materials harmoniously and create a balanced, visually appealing wreath.

This workshop also encourages personal expression—once the basics are covered, you'll have the opportunity to add your own unique details. Whether you prefer a minimalist design or a more lavish display, our tutor will offer tips and tricks to enhance your creation.

Ideal for all skill levels, this workshop not only equips you with the knowledge to make a beautiful wreath but also fosters a sense of community and holiday spirit. By the end of the class, you'll walk away with a handcrafted wreath that will be the perfect addition to your holiday décor, as well as the skills to create more wreaths in the future.
