Beginners

## **Course overview**

Discover the art of journalling with our Craft: Art Journalling for Beginners course. Learn techniques for creating beautiful and personal art journals. Ideal for individuals looking to explore creative self-expression through journalling.

## **Course description**

Craft: Art Journalling for Beginners is designed to introduce individuals to the creative and therapeutic practice of art journalling. This course covers essential techniques for creating beautiful and personal art journals, including selecting materials, using mixed media, and developing a personal style. Participants will learn how to combine writing, drawing, painting, and collage to create expressive and meaningful journal pages. The course includes hands-on projects, allowing students to practice their skills and develop their own artistic voice. Emphasis is placed on fostering creativity and individual expression in a supportive environment. By the end of the course, participants will have completed several art journal pages and gained the confidence to continue exploring art journalling as a form of creative self-expression. This course is ideal for beginners and experienced crafters alike who want to develop their skills and create beautiful art journals.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
