## **Level of study**

Intermediate

## **Course overview**

This course is designed for individuals who have basic sewing experience and want to further develop their skills. Participants will build on their foundational knowledge to tackle more complex sewing projects, learn advanced techniques, and refine their craftsmanship. From mastering different types of stitches and seams to working with various fabrics and patterns, this course will empower students to create more intricate garments and textile projects. Ideal for those looking to enhance their sewing abilities, this course combines practical hands-on experience with creative exploration.

## **Course description**

This course is designed for individuals who have basic sewing experience and want to build on existing skills to tackle more advanced projects. Learners will build on their foundational knowledge learn to apply advanced sewing techniques, including different types of seams, stitches and finishes, which will help refine their craftsmanship. You will be able to understand how to work with a variety of fabrics, including stretch, delicate and heavyweight materials and improve your pattern reading and modification skills for more customized projects. Learners will be able to create more complex garments and home decorative items with professional finishes. Through doing this learners will be able to develop problem solving skills for common sewing challenges and mistakes. From mastering different types of stitches and seams to working with various fabrics and patterns, this course will empower students to create more intricate garments and textile projects. Ideal for those looking to enhance their sewing abilities, this course combines practical hands-on experience with creative exploration. Learners will also be able to foster creativity and individual style in many different sewing projects.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
