## **Course overview**

Enjoy your ESOL studies online with this evening ESOL course with a qualified tutor. This course looks at how to use ESOL in your day to day life and in work here in the UK. The course will run for twice in a week and will give you a safe space to practise your speaking, listening, reading and writing to advance your skills and confidence. This course is aimed at people who work during the day and want to upskill in the evenings or use it as a top up for your ESOL classes. The course will concentrate on beginners ESOL skills for learners going into entry 2 or entry 3 in September and are wanting to upskill further. The classes will revolve around the skills of speaking, listening, reading and writing. The class is run by a qualified and experienced tutor who will help you develop, improve and provide feedback throughout the course.

## **Course description**

This course is ideal as an additional course for anyone going onto studying entry 2 or entry 3 or preparing for employment here in the UK. Also, for learners who want to continue to use their English skills in the evenings and want to keep practising their second language.

You will upskill your main ESOL skills; speaking, listening, reading and writing in an easy going and relaxed environment.

This course is offered 2 evenings per week with a qualified tutor who will support you throughout, you will engage with other like minded people on the courses and the course is offered exclusively online.

Timetable;

Monday and Thursday evenings 6:30pm - 9:00pm.

To ensure most success on this course you need to be at least entry 1 in your ESOL skills. This will be checked prior to the course and confirmed with a diagnostic

assessment at the start of the course also. Please expect a call from a member of the WEA team to discuss your ESOL level and to identify whether this course is the right fit for you after you apply if you are not a continuing learner.
