Course overview

Are you interested in working with animals? Join this course to learn about a range of animal related jobs. You will consider positive and challenging aspects of the roles and ways into these careers. In addition, we will also be looking at basic care needs of pets such as dogs and cats. You will be working with your fellow learners to enhance your confidence and knowledge. There will be plenty of opportunity in the course to share your ideas.?

Course description

This course will help you to find out more about animal related work. We will consider a range of different roles from dog groomer to veterinary nurse. You will learn about some freelance opportunities and will be encouraged to share your own ideas with your fellow learners. We will consider positive and challenging aspects of working with animals. A focus of the course is on developing your knowledge of the basic care needs of dogs, cats, rabbits, horses and aquarium fish. Throughout the course, you will discuss ideas in small groups with tutor support. Completion of the course should enable you to approach job interviews related to working with animals with increased confidence. ?

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
