Course overview

Explore the diverse world of international cinema with our Film & Media: World Cinema course. Learn about key films, directors, and movements from around the globe. Ideal for film enthusiasts and anyone interested in expanding their cinematic knowledge.

Course description

Film & Media: World Cinema is designed to provide a comprehensive understanding of international cinema. This course covers key films, directors, and movements from different countries and cultures, exploring their themes, styles, and impact on global cinema. Participants will watch and analyse significant films, learning about the historical and cultural contexts that shaped them. The course includes screenings, lectures, and discussions that enhance appreciation and understanding of world cinema. By the end of the course, participants will have a deeper knowledge of international cinema and an enhanced ability to appreciate its diversity and complexity. This course is ideal for film enthusiasts and anyone interested in expanding their cinematic knowledge.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
