Course overview

Improve your English speaking and listening skills with our English Conversation Class. Engage in interactive discussions and activities to build confidence in everyday communication. Ideal for non-native speakers looking to enhance their conversational English.

Course description

English Conversation Class is designed to help non-native English speakers improve their speaking and listening skills through interactive discussions and activities. This course covers practical vocabulary and phrases used in everyday conversations, such as greetings, asking questions, and sharing opinions. Participants will engage in group discussions, role-plays, and real-life practice sessions that build confidence in their ability to communicate in English. The course includes lessons on pronunciation, intonation, and listening comprehension, ensuring that students can understand and respond appropriately in various contexts. By the end of the course, participants will have improved their conversational English skills and gained confidence in their ability to communicate effectively in everyday situations. This course is ideal for non-native speakers looking to enhance their conversational English and build confidence in their speaking abilities.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
