Enhance your artistic skills with our Art Practical: Intermediate Art Practical course. Learn advanced techniques for drawing, painting, and mixed media. Ideal for artists looking to refine their abilities and explore new creative approaches.

## Course description

Art Practical: Intermediate Art Practical is designed to help artists improve their technical skills and explore advanced artistic techniques. This course covers a range of topics, including advanced drawing techniques, painting methods, and mixed media approaches. Participants will learn how to use different materials and tools to create complex and expressive artworks. The course includes practical demonstrations, guided practice, and individual feedback to support students in developing their skills and artistic style. Emphasis is placed on fostering creativity and encouraging experimentation with various techniques and mediums. By the end of the course, participants will have completed several art projects and gained confidence in their ability to create advanced artworks. This course is ideal for artists looking to refine their abilities and explore new creative approaches.

## What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
