Course overview

On this short course we will create nature inspired Christmas cards using watercolours.

Course description

Would you like inspiration and to learn a variety of techniques for creating nature inspired Christmas cards using watercolours? This course is designed for getting festive with this challenging but beautiful painting medium. Discover how to paint an array of themes including winter trees, skies, fir trees, snow, ice and other landscape elements. You will learn about selecting suitable papers, techniques, colour palettes and how to turn your creations into Christmas cards. In addition, you will have the opportunity to share and discuss ideas with the tutor and other students. Aimed at students who have some basic previous watercolour experience.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
