Venue

Online

Level of study

Beginners

Course overview

Christmas is here but if you don't have room for a tree or you just want new decoration for the year try your hand at a beautiful 12 inch star created out of wooden skewers and string, Paint and then sprinkled with glitter or snow and add beautiful mini lights to make it sparkle.

Course description

An inexpensive but very effective way to make a star for your home. Using a glue gun, we make the frame of the star we use wooden skewers for this. You then need a roll of white cotton parcel string which you will wind to cover the star shape you have created. Once you are happy with the coverage you can then paint it with emulsion acrylic paint add glitter or snow sequins or beads. For that extra special touch, you can add beautiful mini battery-operated lights to give it that extra sparkle in your home. May your Christmas be Merry and Bright!.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
