Level of study

Beginners

Course overview

A wonderful workshop to show you how to successfully create a wonderful seasonal wreath.

Course description

You will start by building up a wire frame using bendy twigs and branches to create a background for your foliage. You will then start to add your first layer of greenery using the larger foliage ensuring good coverage. Once you are happy with this you will then start to add your own personal touches with more foliage using everything in your festive range for your design, adding dried fruits, berries, pine cones stylish coloured ribbon and bauble to be

complement your colour scheme ensuring that your wreath will be special and unique and make a beautiful welcome to your guest and family as they see it proudly hanging on your door.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
