Course overview

Discover the art of mosaic making with our Craft: Beginners' Mosaics course. Learn basic techniques for creating beautiful mosaic designs. Ideal for beginners and craft enthusiasts looking to explore this ancient art form.

Course description

Craft: Beginners' Mosaics is designed for individuals interested in exploring the art of mosaic making. This course covers essential techniques for creating beautiful mosaic designs, including cutting and arranging tiles, selecting colour schemes, and applying grout. Participants will learn how to create their own mosaic projects, such as decorative panels, coasters, and small artworks. The course includes hands-on projects, allowing students to practice their skills and develop their own artistic style. Emphasis is placed on fostering creativity and individual expression in a supportive environment. By the end of the course, participants will have completed several mosaic projects and gained the confidence to continue exploring this versatile art form. This course is ideal for beginners and experienced crafters alike who want to develop their skills and create beautiful mosaic designs.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
