Intermediate

Course overview

Enhance your mosaic-making skills with our Craft: Intermediate Mosaics course. Learn advanced techniques for creating intricate and detailed mosaic designs. Ideal for individuals with basic mosaic experience looking to refine their craft.

Course description

Craft: Intermediate Mosaics is designed for individuals with some experience in mosaic-making who want to advance their skills. This course covers a range of techniques, including working with different materials, creating complex patterns, and using advanced tools. Participants will learn how to plan and execute detailed mosaic projects, from selecting the right materials to applying finishing touches. The course includes hands-on practice, expert demonstrations, and personalized feedback to help students develop their artistic style and improve their craftsmanship. By the end of the course, participants will have completed several mosaic projects and gained the confidence to tackle more challenging designs. This course is ideal for anyone looking to take their mosaic-making skills to the next level.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
