Course overview

Turn your sewing skills into a business with our Sewing into Business course. Learn essential techniques for creating and selling handmade items. Ideal for individuals looking to start a sewing-based business.

Course description

Sewing into Business is designed to help individuals turn their sewing skills into a profitable business. This course covers essential techniques for creating high-quality handmade items, including selecting fabrics, using sewing machines, and finishing techniques. Participants will also learn about the business side of sewing, including pricing, marketing, and selling their products. The course includes practical projects, business planning exercises, and expert guidance to help students develop their skills and business strategy. By the end of the course, participants will have a comprehensive understanding of how to create and sell handmade items and be well-prepared to start their own sewing-based business. This course is ideal for individuals looking to turn their passion for sewing into a successful business.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
