Course overview

Build on your calligraphy skills with our Craft: Next Steps in Calligraphy: Italic - Unlocking Creativity course. Learn advanced italic lettering techniques and explore creative applications of italic script. Ideal for individuals with basic calligraphy experience looking to advance their skills.

Course description

Craft: Next Steps in Calligraphy: Italic - Unlocking Creativity is designed for individuals who have some experience with calligraphy and want to further develop their skills in italic script. This course covers advanced techniques in italic lettering, including variations in stroke weight, spacing, and layout. Participants will learn how to create dynamic and expressive italic calligraphy pieces, from formal invitations to artistic compositions. The course includes hands-on practice, expert demonstrations, and personalized feedback to help students refine their skills and unlock their creative potential. By the end of the course, participants will have created a portfolio of italic calligraphy work and gained the confidence to explore more advanced calligraphy projects. This course is ideal for calligraphy enthusiasts who want to take their italic script skills to the next level.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
