## **Course overview**

Master the art of traditional calligraphy with our Craft: Advanced Traditional Calligraphy: Unlocking Creativity - Taking It on to the Next Level course. Learn advanced techniques in traditional scripts and apply them to creative projects. Ideal for individuals with basic calligraphy experience looking to refine their skills in traditional lettering.

## **Course description**

Craft: Advanced Traditional Calligraphy: Unlocking Creativity - Taking It on to the Next Level is designed for individuals who want to advance their skills in traditional calligraphy. This course covers advanced techniques in traditional scripts, including blackletter, copperplate, and Spencerian. Participants will learn how to create intricate and expressive calligraphy pieces, from formal documents to decorative art. The course includes hands-on practice, expert guidance, and tips on selecting the right tools and materials for different projects. By the end of the course, participants will have created a portfolio of traditional calligraphy work and gained the confidence to pursue more challenging calligraphy projects. This course is ideal for calligraphy enthusiasts who want to refine their skills and explore the creative possibilities of traditional lettering.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
