Course overview

Enhance your sewing skills with our Textiles and Fashion: Sewing 2 course. Learn advanced techniques for creating fashionable and functional clothing. Ideal for individuals with basic sewing knowledge looking to refine their skills.

Course description

Textiles and Fashion: Sewing 2 is designed for individuals with basic sewing knowledge who want to enhance their skills. This course covers advanced techniques for creating fashionable and functional clothing, including pattern making, fitting, and finishing. Participants will learn about different fabrics, tools, and methods used in advanced sewing. The course includes hands-on projects, allowing students to practice their skills and develop their own creative style. Emphasis is placed on fostering creativity and individual expression in a supportive environment. By the end of the course, participants will have completed several advanced sewing projects and gained the confidence to continue exploring this craft. This course is ideal for individuals looking to refine their sewing skills and create beautiful clothing.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
