## Course overview

With interactive lessons and real-life scenarios, this course equips learners with essential language skills.

## Course description

The Getting to Grips with English (ESOL) course is designed to help learners improve their English skills for everyday life, work, and study. It typically includes key areas such as speaking, listening, reading, and writing. Lessons focus on practical communication, including introducing yourself, asking questions, and understanding directions. Grammar basics like tenses, sentence structure, and vocabulary building are often emphasised. The course also covers functional English for everyday interactions including cultural aspects, and confidence-building activities.

## What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
