Course overview

First steps into using online tools to help you learn English.

Course description

Starting to use online tools for learning English is exciting and effective. Explore websites like BBC Learning English for free resources, grammar tips, and listening exercises. Learn vocabulary and practice daily using online games and quizzes. Find out how online dictionaries with pronunciation guides can help with word accuracy. Consistency and curiosity will make these tools your best learning allies!

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
