## Course overview

Building confidence to learn English in a classroom setting.

## Course description

The Confidence for English (ESOL) course is tailored to help learners build practical language skills while boosting their confidence in real-life situations. Covering topics like the local area, food and shopping, and friends and family, the course focuses on everyday conversations and essential vocabulary. Lessons also encourage discussing relationships, introducing loved ones, and sharing personal experiences. With interactive group activities, role-playing, and speaking practice, the course creates a supportive environment to enhance communication skills, cultural understanding, and self-assurance in using English.

## What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
