## **Course description**

This course is for adults with learning difficulties and disabilities. The intent of the course is to ensure that learners are able to develop Artistic practices and skills which improve their physical and mental wellbeing, manual dexterity and personal effectiveness. adults with learning difficulties and disabilities who lived in supported living experienced greater isolation and struggled with independent living skills as there was limited access to support services and learning opportunities. Enabling them to acquire these manual, creative and self-reflective skills will support their personal development and give them the confidence for life and, potentially, voluntary work.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
