## Course overview

This course is aimed at the people who already have some sewing and pattern cutting experience but find it difficult to follow instructions due to either language barrier or any other reason and need support.

## Course description

This course is for those who have some understanding of dress patterns and have some sewing experience. Those of you who can work independently on a range of projects but require some support and guidance. The course is suitable for beginners as well, as we are going to cover basic sewing and pattern cutting techniques too. Students are welcome to bring their own patterns/projects and complete required tasks with tutor support and guidance.

## What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
