Course overview

Hearing impairments bring a variety of challenges, both to those who lose their hearing and their loved ones. Luckily, there are communication techniques you can learn to be able to maintain healthy interactions. Learn to communicate effectively despite hearing impairments with this beginners' lip reading course. This course is appropriate for you if you have hearing impairments or if you'd like to communicate with a friend or family member with hearing loss. Lip reading for beginners gives you an introduction to some essential lip shapes. Explore deaf awareness issues to understand how hearing loss affects communication. Learn about speech patterns and cues to facilitate interactions. If you have hearing loss, learning skills and strategies to take advantage of residual hearing can also help you get the most out of social interactions. Please note this course is delivered online via ZOOM.

Course description

If you have hearing loss, learning skills and strategies to take advantage of residual hearing can also help you get the most out of social interactions.

Learn to lip read in a safe environment. Your tutor will make every effort to create a comfortable space to practise your skills with the group.

You can join this course at any level of expertise.

Please bear in mind that you'll need an internet connection to study this lip reading course. This is so you can access our digital learning platform, Canvas.

The WEA specialises in teaching adults. We want you to enjoy your studies and we take great care to create a positive learning environment, both online and in person.

The WEA is committed to accessible adult education for all. If you have any accessibility requirements, please let us know and we will do our best to accommodate your needs.

Most of our courses are free for most of our learners. Please note that you need to get to the end of the enrolment process to see the discounts.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
