Course overview

This course follows on from the basic sewing essential class ran over the Autumn we welcome new students as well as returning students as there is all way new skills, sewing tips and techniques to learn.

Course description

A 10 week course which will give you plenty of time to build your spring wardrobe ready for some sunshine

One of the Easter tradition was to have new clothes to wear for Easter, so now there's no excuse lets get sewing.

Full instructions and guidance will be provided but you will need to bring your own fabric to make your garments.

We have a large source of patterns and instructions available to trace and copy enabling you to start and build up your own pattern catalogue.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
