Beginners

Course overview

I will work with students to improve confidence in their ability to develop artistic skills and creativity, learning the skills to create a variety of craft projects and build confidence. You will learn using a range of different teaching and learning activities. You will be in a safe welcoming and supportive environment. The course is for everyone from the complete beginner to those wishing to improve their craft skills. No prior knowledge is needed just a desire to learn and develop your skills, make something wonderful, meet new friends and have fun building confidence.

Course description

I will work with students to improve confidence in their ability to develop artistic skills and creativity.

Learning the skills to create a variety of craft projects. Working towards challenging yourself to try new and different projects.

You will learn using a range of different teaching and learning activities to include watching and following step by step demonstrations with one to one help and guidance, you will learn how to plan a project, design and colour, choosing materials, and assembling, you will be guided through each stage.

We will cover mixed media, painting techniques, stamping and embossing, card craft, scrap booking and much more.

We will explore subjects of your choice to meet your individual needs and expectations during the course.

You will be in a safe welcoming supportive environment, working together with the tutor and fellow students.

No prior knowledge is needed just a desire to learn and develop your skills and build confidence.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
