Course overview

The Cooking Practical: Intermediate enhances culinary skills through advanced techniques, global cuisines, and professional plating. Participants refine methods like braising, baking, and sauce-making while creating signature dishes and multi-course meals. The course fosters creativity, efficiency, and teamwork, preparing students to craft sophisticated, flavorful dishes with confidence.

Course description

Cooking Practical: Intermediate Course is designed for individuals looking to elevate their culinary skills beyond the basics. This hands-on program focuses on advanced techniques such as braising, sauce-making, and artisan baking, alongside exploring global cuisines and professional plating. Participants will refine their skills in flavor pairing, presentation, and kitchen efficiency while creating multi-course meals and signature dishes. Perfect for aspiring chefs or passionate home cooks, this course offers the tools and confidence to craft sophisticated, restaurant-quality dishes.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
