Course overview

The Cooking Practical: Intermediate LLDD course is tailored for learners with mild to moderate learning disabilities, focusing on refining basic cooking skills. Participants will improve techniques like chopping, baking, and meal preparation, while building confidence, kitchen safety, and independence. The course offers a supportive environment to develop essential culinary skills and creativity.

Course description

The Cooking Practical: Intermediate for LLDD course is designed for learners with mild to moderate learning disabilities, aiming to develop practical cooking skills in a supportive environment. Participants will refine techniques such as chopping, baking, and meal preparation, focusing on safety, independence, and building confidence in the kitchen. The course encourages creativity, teamwork, and improves overall kitchen organization, empowering learners to prepare a variety of dishes with ease and confidence.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
