Course overview

The Dressmaking Course is a comprehensive program designed for individuals who want to learn the art of creating custom garments. Whether you are a beginner or have some sewing experience, this course provides the foundational skills and advanced techniques needed to design, construct, and finish high-quality clothing. With a mix of theoretical instruction and practical hands-on training, participants will master everything from basic sewing to complex tailoring. What You'll Learn • Fundamentals of sewing, including hand and machine stitching. • Pattern reading, drafting, and custom modifications. • Techniques for constructing skirts, dresses, blouses, and more. • How to select and handle different fabrics. • Professional finishing touches for a polished look.

Course description

A dressmaking course is designed to equip students with the skills and knowledge needed to create custom garments. It typically combines theoretical learning with hands-on practice to help participants master techniques ranging from basic sewing to advanced tailoring.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
