Beginners

## **Course overview**

This is an introductory course where you will learn everything about Nail treatments. Perhaps you would like to learn how to paint your own nails to save money visiting a salon every month, or perhaps you see yourself one day with your own business. This course is designed to give you all the insight into the Nail Industry, from a tutor who is currently working in the nail, hair and beauty sector you will gain all the relevant knowledge and skills to progress. This course can also support you onto a qualification in nails if this is something you want to pursue.

## **Course description**

During this course you will learn all the skills needed to become a fabulous nail technician. The course covers all manicure treatments, pedicures, nail art and gel nails & enhancements. Giving you an overall insight to everything nails.

The course is aimed at beginners. So, no matter how good you feel you are painting nails, our fabulous tutor will give you all the support and guidance to master the techniques.

This is a practical based course with the minimum writing involved. You will learn by performing treatments on each other. So, be prepared to go back home each week with gorgeous nails.

Once you have completed this introductory course, whether you just want to paint your friends and families nails or set up a little mobile business that fits into your current home life, our progression qualification that follows is perfect for you. Where your tutor will also give you great business advice.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
