Course overview

Improve your digital literacy with our Navigating Digital Information Multiply course. Learn how to find, evaluate, and use digital information effectively. Ideal for individuals seeking to enhance their digital skills for personal and professional use. This course, funded through Multiply in Portsmouth, is designed to empower individuals with essential everyday life skills. Learners will engage in practical sessions that cover a range of topics including budgeting, art, digital literacy, and effective communication. The course emphasises hands-on learning and real-world applications to enhance independence and confidence. Whether you're looking to improve your financial management, learn new skills, navigate technology, or boost your interpersonal skills, this course provides the tools and support to thrive in daily life.

Course description

Navigating Digital Information Multiply is designed to help individuals develop essential digital literacy skills needed to navigate the vast array of information available online. This course covers key aspects of finding, evaluating, and using digital information effectively, including understanding search engines, identifying credible sources, and using digital tools for research. Participants will learn practical strategies for managing digital information, such as organizing bookmarks, using online databases, and protecting personal information. The course includes interactive activities and practical exercises that allow students to apply their skills in real-world scenarios. By the end of the course, participants will have a comprehensive understanding of digital information literacy and be equipped with the tools needed to navigate the digital world confidently. This course is ideal for anyone looking to improve their digital skills for personal and professional use.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
