## **Level of study**

Beginners

## **Course overview**

We will look at some thinkers who propose Nature as a concept should be abandoned.

## **Course description**

We will look at some thinkers who propose Nature as a concept should be abandoned, and look at others who believe it still has value, and teach ecological philosophy through that.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
