Course overview

Start your journey of learning English with our Pre-Entry ESOL course, designed for beginners who are new to the English language. This course focuses on building foundational skills in a supportive and friendly environment.

Course description

Pre-Entry ESOL is aimed at individuals who are just beginning their English language journey. This course focuses on developing basic language skills in speaking, listening, reading, and writing. The course is structured around everyday situations, helping learners to acquire the language needed to communicate effectively in simple, real-life scenarios. Topics include greetings, shopping, asking for directions, and understanding basic instructions. Participants will engage in practical exercises and group activities that help build confidence and improve communication skills. The course is delivered in a supportive and inclusive environment, ensuring that learners feel comfortable practising their new skills. By the end of the course, participants will have gained a basic understanding of English and will be better prepared to continue their language studies at higher levels.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
