## **Course overview**

This course is delivered to a group of learners based in a local partner-organisation which offers a range of activities and opportunities for LLDD learners. The sessions are delivered face-to-face in a purpose-designed space in the partner-organisation's premises. The course is delivered once a week for 2 hours. There is no charge for venue hire from this partner-organisation. Support workers are provided by the partner-organisation.

## **Course description**

As a tutor I incorporated lifeskills useful in the community such as mental health and wellbeing, supporting students to meditate in the class, and learn art techniques to help slow the mind down, focus on detail and express themselves in a creative way.
