Course overview

expand this This Portfolio talk aims to inspire and inform, with a wide selection of images from portraits to landscapes, seascapes to animals, macro and more. The session is interactive and suitable for all abilities. This is an opportunity no matter your skill level or experience to find out more, explore the topic and images on a variety of subjects with a professional photographer/ photography tutor. It is also a chance to consider further the photos you take and develop a greater understanding.

Course description

This Portfolio talk is designed to inspire and educate, offering a rich variety of captivating images that showcase different aspects of photography. From stunning portraits and sweeping landscapes to dramatic seascapes, captivating wildlife, intricate macro shots, and more, this session covers a wide range of photographic subjects and styles. The talk is highly interactive, providing an opportunity for participants of all skill levels, whether beginners or experienced photographers, to learn and engage in meaningful discussions.

Led by a professional photographer and experienced photography tutor, this session invites you to explore the techniques and creative processes behind the images. It's not just about viewing beautiful photos; it's about understanding the thought and skill that goes into capturing each shot. You'll gain insights into how to approach various photography topics, as well as the tools and methods used to produce stunning results.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment

journey and we will do all we can to make sure you have optimal access.
