Course overview

This Beginners Photo Editing course will teach you how to improve your images. Add instant effects, filters and text. Create a collage and add animation to templates.

Course description

You will learn how to enhance your own images by adding a wide range of effects, adjustments, filters and text. Remove unwanted areas of an image. Use layers and elements including overlays, shapes and borders. Creating a collage and adding animation to templates.

Your friendly, knowledgeable tutor will guide and support you through your learning journey.

You will need access to the internet to complete this course. Learning materials including handouts and exercises will be available on canvas, the WEA's Digital Learning platform. You will need a digital device e.g. tablet or laptop to access the course.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
