Course overview

This FREE Sugar Craft course is designed to introduce you to the art of creating beautiful and intricate designs using sugar. Whether you are a beginner or looking to refine your skills, this course covers a wide range of techniques and provides hands-on experience to help you master sugar craft. Course will include the basics of sugar craft including the different types of sugar and edible materials to create your decorations. You will also cover the materials and tools required to create your beautiful decorations.

Course description

This FREE Sugar Craft course is designed to introduce you to the art of creating beautiful and intricate designs using sugar. It involves a variety of techniques and skills to design intricate and beautiful decorations for cakes. Sugar craft is a unique and versatile discipline that transforms simple ingredients into stunning works of art.

If you enjoy this short course, we will be very happy to deliver another longer course with more detailed learning involved.

It doesn't matter if you are a complete beginner or already mastered the basics, this course will give you so much enjoyment and further learning. Where you can allow your creative streak and artistic expression to shine, customising your own beautiful pieces.

All necessary tools and materials will be provided, but the tutor will encourage you to bring along any additional ingredients if you want to build further with your decoration.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during

your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
