## Level of study

Pre-Entry

## Course overview

This ESOL Pre-Entry Beginners Reading course supports low-level adult learners in developing essential English reading skills. Learners will learn to recognise basic words, understand simple sentences, and build confidence in reading. Through interactive activities, the course promotes literacy, enhances communication, and supports greater independence in daily life and confidence for employability.

## Course description

The ESOL Pre-Entry Beginners Reading Course is designed for low-level adult learners, focusing on foundational English reading skills. This community-based program helps learners recognise basic words, understand simple sentences, and build confidence. The course fosters language development through interactive activities, promoting literacy, independence, and improved communication in everyday life.

## What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
