You will be introduced to some of the important skills for taking your driving theory test. This course is the first step in learning about what to be expected on the test and what you need to revise for when you plan to take the test later on.

## **Course description**

This course will help you if English is not your first language and if you are struggling to understand the vocabulary needed to pass the UK Driving Theory Test. During the course, we will cover the English technical language you are likely to need. You will also learn about the language used in the Highway Code and about transport in the UK. We will also cover road signs, road markings and the rules of driving. The course will help you to feel more confident that you are ready to apply for the Theory Test.
