Course description

This course is designed for learners with little or no experience in sewing who want to learn the basics of creating their own projects. This course covers essential sewing techniques, from basic stitches to garment construction. You will learn how to use a sewing machine, understand different types of fabrics, and create simple sewing projects such as cushions, bags, and clothing. The course includes hands-on practice and guided instruction, allowing you to develop your skills and gain confidence in your sewing abilities. Emphasis is placed on creating a supportive and engaging environment where you can explore your creativity and develop your sewing skills at your own pace. By the end of the course, you will have completed several sewing projects and be well-equipped to continue exploring the art of sewing. This course is ideal for beginners looking to develop their sewing skills and create their own handmade items.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
