

E-safety - Learning with Canvas

- ▶ Always be polite and respectful online
- ▶ Make sure that your work does not include photos or personal details of others
- ▶ Only use Canvas to contact tutors - this protects you and others
- ▶ Don't share your personal contact or email details
- ▶ Don't share access to or information from your course with others

If you ever feel worried, contact your tutor or the safeguarding officer for your region.

For further advice and guidance visit getsafeonline.org

See the E-Safety section in 'Help in your Canvas' course for more online safety links and the WEA Online Safety Policy in Teaching and Learning, on wea.org.uk/resources/policy-docs
